key features & benefits

protecting your digital cargo

13" & 15" loft

urban utility, it's funky and functional

Sleek urban styling with ultimate laptop protection - that's STM's **loft.** This is a shoulder bag that you can take to an office / bar / restaurant etc. without anyone knowing you are carrying a laptop and still maintain your sharp image. High density padding surrounds the laptop and there are plenty of pockets for everything else you need, all in a neat, stylish package.

Loft has a vertical space for your laptop, a full sized pocket for folders and notes and a zippered pocket for cables and adaptors.

Loft is available in 2 sizes
- small fits most laptops with screens up to 13"
- medium fits most laptops with screens up to 15"

small loft 13"
